

Te Wānanga o Aotearoa can create bespoke, culturally rich, hands-on courses to meet the needs and interests of a group of 10 + students from one school or kura. Courses on offer are at level 2 and can be delivered at a school site or at a local marae, over a 30-week period through a:

- noho style delivery format, over 4-5 intensive days offered over 4 weeks across the school year, or
- if desired, a one day a week, for 30 weeks, course delivery format.

**These courses are scheduled directly with the schools. Contact the Wānanga to discuss what course could be put together for a cohort of your school's students.
